Good Morning Len and Bill:

How are you both? Pete Lisichenko (the other On-Scene Coordinator at the site) and our contractor will be stopping by the site on Monday to take down the electric pole. This is currently located in Area 4 on the church side (former office trailer area). We will store that near our other supplies in the warehouse in anticipation of our return. The tentative plan would be to stage the trailers in Area 5 during the next stage.

Thanks

Regards,

Eric M. Daly
